

16/60 LAUNCH PHOTOS OCTOBER 1961- COURTESY BMIHT

CONFIDENTIAL - DO NOT RELEASE BEFORE 12TH OCTOBER 1961

THE WOLSELEY 16/60 Saloon, successor to the popular 15/60 has a slightly wider track and longer wheelbase within the partly re-designed bodyshell. It is powered by a new 1622 c.c. version of the B.M.C. Series 'B' engine and is available with automatic transmission at extra cost. Other improvements include new interior trimming and exterior colour schemes, exhaust system with extra silencer and an anti-roll bar at the front.

With the Compliments of the Nuffield Organization, Press Office, Cowley, Oxford.
