

## **STATEMENTS FROM NOMINEES FOR ELECTED OFFICERS POSITIONS**

### **CHAIRMAN – GRAHAM RYDER**

I have been very busy since the last AGM getting to grips with the post of Chairman. With the support of a strong Management Team, I am keen to continue in this role for the benefit of the Register and its members. In collaboration with all the Regions we have put together a variety of events for this Anniversary year, most of which I plan to attend in person.

### **DEPUTY CHAIRMAN – DICK PETERS**

As a member of the Scottish Group's committee for almost 30 years, I had gained considerable experience in dealing with all things 'Wolseley'. These years of service had also engendered a great deal of admiration for the professionalism of the Register, from membership of which I had gained many new friends throughout the UK. I felt privileged, therefore, to be elected as Deputy Chairman at last year's AGM. From regular discussions with fellow committee members and attendance at meetings, I am heartened greatly by our progressive outlook as we approach the 60th anniversary of the Register's foundation. Members will be out in number at Rallies throughout the country and our own National Rally will take place at an outstanding venue. I look forward to continuing in this role if re-elected and meeting with as many of you as possible over the summer months.

### **SECRETARY – ANNE HEYWOOD**

I have been Secretary since being elected in 2020. My role is to provide administrative support to the National Chairman and Management Committee.

As well as attending Management Meetings, I manage the bookings of the meeting venue/s and ensure that new Management Committee members have directions to the venue/s.

I agree and prepare the Agenda for each meeting with the National Chairman. Minutes (normally taken by the Minutes Secretary) are distributed by me as soon as possible.

Prior to each AGM, I contact the Regional Representatives and Technical Advisers, thanking them for all their hard work and confirming their willingness to continue in the role.

I ensure all nominations for Management Committee posts have been received by the due date; forwarding to Editor and Webmaster for publication.

I book the AGM venue, agree the Agenda with the National Chairman; send a copy to the Editor and Webmaster for publication in Wolseley World and on the website. I deal with any postal votes.

This is a role that I have enjoyed doing and for which I am happy to stand again.

**TREASURER – PAUL SCOTTEN**

I have been in the post of Treasurer for about seven years and feel that I have fulfilled the role to the satisfaction of the Committee and Members.

However, I will be willing to carry on for another term, but, going forward, hope to be able to pass the duties to a suitable candidate when one is found.

**MEMBERSHIP SECRETARY – ALISTAIR MURRAY:**

I have been carrying out the role of Membership Secretary this time since 2021, having performed the role twice before back in the 1990s and the early 2000s.

I am pleased to offer to continue with these duties going forward.
